Prochem Coffee Stain Remover is a specially formulated stain remover for the direct treatment of coffee, tea, tannin, beer, watermarks and many other yellow and brown discolourations on carpets and fabrics. Coffee Stain Remover can be used on synthetic and natural fibre carpets, fabrics and other surfaces, subject to pre-testing.

Always pre-test carpets, fabrics and other surfaces to be treated with a small amount of Coffee Stain Remover in an inconspicuous area before proceeding. Check for dye stability, colour change and texture change. Some fabrics and dyes may be sensitive to water or acidic solutions.

- Coffee, tea and browning stain remover for carpets, fabrics and most surfaces.
- Use for watermarks and other yellow and brown discolourations on carpet and fabric.
- Ready-to-use.
- Clear liquid with lemon fragrance.
