

120 DECIBEL GAS HORN

SKU: GAH001

£13.00 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 1

Our gas horn is a low cost, effective and top quality solution for any company's signalling needs and is loud enough, at 120Db, to be heard over working environments, machinery and other industrial noise.

Typical uses include:

- On site alarm system
- Back-up alarm system for any company
- Primary alarm system for smaller companies
- Emergency signalling system for workers on manufacturing floors
- Confined space alarm system
- Personal protection
