**Stock:** Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

3M 6054 K1 Ammonia Gas Filters are to be used with the 3M full-face and half-face masks. They offer respiratory protection against ammonia and are easy to click into place thanks to the bayonet connection.

- Protects against ammonia and its derivatives
- Lightweight with low breathing resistance
- Swept-back position maintains a good field of vision
- Can be combined with a particulate filter
- Maximum use concentration for full-face masks: 20 x workplace exposure limit (WEL) or 1000ppm whichever is lower
- Maximum use concentration for half-face masks: 10 x workplace exposure limit (WEL) or 1000ppm whichever is lower
