The **3M 6500 Reusable Half Mask Respirator** is designed for tough working conditions, offering a durable silicone face seal and a **Quick Latch** mechanism for easy donning and doffing. Ideal for industrial, construction, and manufacturing settings, this mask provides reliable respiratory protection while ensuring comfort and ease of use.

- **Quick Latch Drop-Down Mechanism:** Allows users to lower the mask without removing headgear, perfect for quick breaks.
- **Durable Silicone Face Seal:** Provides a secure, long-lasting fit with enhanced comfort.
- **Adjustable Head Harness:** Ensures a stable and customizable fit.
- **Low-Profile Design:** Improves visibility and compatibility with other PPE.
- **Bayonet Connection System:** Compatible with a wide range of 3M filters and cartridges for versatile protection.
- **Easy to Clean & Maintain:** Designed for repeated use with minimal upkeep.
