The 3M 7500 Series Reusable Half Masks are designed for long-term comfort and offer low breathing resistance thanks to its 3M Cool Flow exhalation valve.

- Soft silicone and low breathing resistance allow for comfortable wear for long periods
- Cool Flow valve lowers breathing resistance and reduces heat and moisture build-up
- Twin-filter design evenly distributes weight and avoids obstructing field of vision
- Bayonet connection fitting system fits a broad range of particulate, gas and vapour filters
- Compatible with 3M 2000, 5000 and 6000 Series filters (available separately)
- Head harness and optional strap provide good stability and are easy to use
- Can be used with 3M supplied air systems
- EN 140:1998
