

3M AURA 9312+ FFP1 VALVED FLAT-FOLD DUST MASK (10 BOX)

SKU: 3M9312

£15.21 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 1

The unique three-panel design of these 3M Aura 9312+ FFP1 dust masks addresses the need for comfort, protection and practicality. The three panels allow for freedom of movement to avoid the mask slipping, while the top panel and 3M Cool Flow valve mean it integrates well with the wearer's safety glasses. Hygienic packaging and the fold-flat design mean these 3M dust masks are convenient and practical to carry around.

- Comfortable and practical disposable respirator
- Protects against low levels of fine dust or oil- and water-based mists
- High-performance filter material reduces breathing resistance for increased comfort
- Three-panel design allows for expansion around the mouth for freedom of movement
- 3M CoolFlow valve reduces heat and moisture build-up to minimise risk of eyewear misting up
- Embossed and sculpted top panel improves compatibility with eyewear with reduced fogging
- Chin tab allows easy fitting and adjustment
- Hygienic packaging avoids contamination before use for practical storage and dispensing
- Fold-flat design allows easy storage and transport
- Colour-coded headbands indicate FFP1 protection and offer a good fit
- Maximum usage level: up to four times the workplace exposure limit (WEL) for particulates
- Dolomite-tested to resist clogging for longer
