SKU: 837631

£196.80 ex VAT

Stock: Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

The 3M Adflo Battery Heavy Duty Li-ion is a lightweight lithium battery and has 12 hours operating time (*battery operating time will decrease depending on additional filters being used and your welding environment) This battery is 40 % lighter in weight than the original nickel metal hydride adflo batteries. Please Note: This battery can only be charged with Adflo charger (833111), Battery operating time will be decreased (at times significantly) depending on additional filters being used and your welding environment.
