The 3M Peltor Optime III Ear Defenders are designed to provide a high level of attenuation that meets the needs of tough and noisy environments. The soft wide cushions are made from a polyether foam that has great energy absorption and helps to reduce pressure around the ears and improve comfort.

- The low-profile design allows compatibility with other PPE
- Soft wide cushions help reduce pressure around the ears and improve comfort and wearability
- Large space inside the cup helps reduce moisture and heat build-up
- Unique cushioned headband ensures constant pressure and consistent protection
- Precise height adjustment adapts to the size and shape of the head
- Replacement cushions and inserts available separately as a hygiene kit
- Coloured green to indicate the level of protection offered
- Conforms to EN352-1
- SNR 35dB
