3M Adflo Odour Filter, 837110, is designed for environments with unpleasant smells. Our odour filter is for use with 3M Adflo Powered Air Respirator.

Improve working conditions in environments with unpleasant odours present, with 3M Adflo Odour Filter, 837110. Our odour filter removes unpleasant odours when using 3M Adflo Powered Air Respirator. It easily snap-fastens between the blower unit and the particle filter and can be replaced any time you begin to smell unpleasant odours again. This odour filter is not required if a gas filter is already being used. To increase service life, make it a habit to check your equipment regularly.
