SKU: TR342E

£177.50 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 1

The **3M Versaflo TR-342E** is a single station battery charger designed for fast and efficient charging of **3M Versaflo Powered Air Purifying Respirator (PAPR)** batteries. Compact and easy to use, it's ideal for individual or small team setups, ensuring your Versaflo system is always ready for use.

- **Single Charging Bay:** Perfect for charging one battery at a time.
- **Compatible with Versaflo Batteries:** Designed for use with TR-300 and TR-300+ PAPR batteries.
- **LED Charging Indicators:** Shows charge status at a glance for easy monitoring.
- **Compact and Space-Saving:** Ideal for workstations or mobile setups.
- **Durable Construction:** Built for regular use in industrial environments.
