ABP643	Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.		30mm	£6.80 ex VAT

The Abus 64 Titalium padlock provides a high security solution with a significant reduction in weight compared to similar size padlocks. The focus of Titalium is to provide maximum security alongside a low weight, making the 64TI ideal for suitcases, tool boxes, cupboards, lockers and more. Alongside the hardened steel shackle and Titalium body this padlock features a paracentric keyway which hinders the ability to pick the lock.
