Ansell's Touch N Tuff premium quality 100% thin nitrile disposable gloves set a whole new standard in comfort, durability, dexterity, and cleanliness. Made of 100% nitrile, the gloves contain absolutely no fillers, silicones, or plasticisers.

Touch N Tuff® gloves provide three times with the puncture resistance of competitive latex or vinyl gloves.

- **Three times the puncture resistance of latex or PVC disposables.**
- **Made with proprietary Thin Nitrile Technology, this super-light glove is remarkably thin for unparalleled sensitivity, yet surprisingly strong.**
- **Contains no waxes, silicone or plasticizers.**
- **Provides added protection at the wrist and allows you to avoid cuff roll down by ensuring a secure fit.**
- **Light and comfortable for wearing as a liner. Double donning is the safest practice when**

handling very dangerous materials.

- Inspected to an AQL of 1.5 for pinholes, which matches the legal requirements for medical gloves.
- 100 per box
