£608.75 ex VAT

Stock: Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

With a 750kg load capacity, this sturdy trolley is ideal for moving materials around busy construction sites and storing them off the ground.

The unit is versatile for tonne bags, bundles, and pallets. Featuring four round folding arms, for universal use with scaffold clamps, and four swivel castors, 2 braked and 2 direction locked, the FlexiKart is easily manoeuvred in any direction. Its size allows it to be navigated through doorways with lashing rings ensuring a safe and secure load.

- A robust kart which increases safety and reduces physical strain when manoeuvring loads manually
- All 4 support arms can be raised individually as required
- Maximum working load capacity of 750kg
- Ideal for moving pallets or bundles of goods.
- With the support arms folded down, the FlexiKart can accommodate larger loads
- Built in lashing points allows the load to be safely secured when in transit
- Four swivel castors - 2 are braked and 2 can be direction locked allowing the FlexiKart to be easily moved in any direction
