

BIOGUARD FOAMING HAND SANITISER 50ML

SKU: BIFS050

£2.05 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 20

- Alcohol-free, anti-viral and bacterial waterless foaming hand sanitiser
- Lasts twice as many hand sanitisers per bottle compared to alcohol hand gels
- 99.9% effective against 1000's of viruses, bacteria, mycobacterium and spores - effective in under 30 seconds
- Independently tested to the highest British & European standards (EN1276, EN1500, EN14476, EN12504, EN13727)
- Waterless and alcohol-free alternative to more traditionally used hand gel sanitisers
- Can be used as a standalone cleanser, where clean water is not available for washing
- Proven by independent environmental audits to be non-toxic, biodegradable and non-accumulative in the eco-system
- Dermatologically tested and PH neutral means it is kind and gentle on the skin
- Cosmetic-grade skin conditioners and moisturisers safeguard users' hands from irritation or sensitisation
- Combined cleaning and disinfection action eliminates the need for separate products and procedures
- The professionals' choice since the early 1990s and still widely used in clinical facilities, including mortuaries and labs
- 50ml pump bottle.
