Bolle Tracker safety glasses provide protection from all mechanical risks and also chemical risks, making them unique in the safety glasses range.

This platinum permanent coating applied on both surfaces of the lens makes them highly scratch-resistant (1.4 cd/m²), gives them a high resistance to the most aggressive chemicals, and slows the appearance of fogging.

- Interchangeable foam reinforcement with indirect ventilation
- Upper protection
- Lower protection
- Removable adjustable strap
- Straight temples
- Coatings anti-scratch, anti-fog
