The Bolle Universal Goggle delivers exceptional protection and comfort in any environment, thanks to its ergonomic design. Featuring an innovative Platinum coating, this goggle is available in multiple versions tailored to specific work conditions, providing enhanced peace of mind and efficiency for the wearer. Its advanced 'Wave' technology ensures a perfect fit by conforming to each user's unique facial structure, eliminating gaps without adding pressure points for superior protection and comfort.

- Ergonomic design provides optimum protection and comfort
- PC/TPR co-injected frame with overflow chute
- Easy-fix pivoting faceguard
- Improved recyclability
- Wave technology - meaning the goggle adapts perfectly to each users face shape
- Lens marking 2C-1.2 1 9 BT KN
- Frame marking EN166 3 4 9 BT
