Butyl Tape, also known as **Black Tack** or **White Tack**, is a durable and highly versatile sealing tape designed for waterproofing, bonding, and gasketing applications. With its excellent flexibility and strong adhesion, it provides a reliable seal on a variety of surfaces.

- **Versatile Sealing Tape:** Commonly referred to as Black Tack or White Tack, suitable for a wide range of uses.
- **Waterproof and Airtight:** Perfect for sealing joints, seams, and cracks.
- **Strong Adhesion:** Bonds securely to metal, plastic, glass, and other surfaces.
- **Flexible and Non-Hardening:** Maintains elasticity over time, ideal for dynamic or irregular surfaces.
- **Generous Length:** 22.5m roll ensures plenty of material for multiple applications.
