**SKU:** DS3245

**£6.95 ex VAT**

---

**Stock:** Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

Easily dispensing from tamper-proof robust cartons, this baking parchment is traditionally used as a lining agent for all baking equipment including cake tins and baking sheets. Ideal for fat-free baking, the parchment is siliconized on both sides for an easy release, non-stick surface, which eradicates your need to grease baking tins or sheets, thus dispelling any unnecessary added fat. Ideal for use both in catering environments and in the home.
