This **Black Correx Protection Sheet** (2.4m x 1.2m x 2mm) offers tough, reusable surface protection for construction, renovation, and fit-out projects. Made from durable corrugated polypropylene, it resists impact, moisture, and chemicals while remaining lightweight and easy to cut.

- **Size: 2.4m x 1.2m x 2mm** – Covers large areas with minimal joins
- **Durable Corrugated Polypropylene** – Impact and abrasion resistant
- **Waterproof & Chemical Resistant** – Ideal for wet or messy environments
- **Reusable & Lightweight** – Easy to handle, install, and move
- **Versatile Use** – Suitable for floors, walls, doors, and surfaces on-site
- **Black Finish** – Professional look, reduces visible marking
