SKU: SPC10030

£255.95 ex VAT

Stock: Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

Deb Stokoderm® Sun Protect 30 is a perfume-free and water-resistant SPF30 sunscreen for professional use to protect the skin against harmful UVA, UVB and UVC rays.

Where to use: Outdoor workers exposed to UVA & UVB sun rays. Workers exposed to UVC rays from some industrial processes (e.g. welding – use with PPE).

- **UVB 30 High protection** - Sun Protection Factor of 30 prolongs the skin's natural protection time against the sun's UVB rays by a factor of 30.
- **UVA protection** - Conforms to the European recommendation for providing protection against the harmful effects of UVA rays.
- **UVC Protection** - Provides additional protection against UVC rays as created artificially during certain industrial processes, such as arc welding. Does not replace personal protective equipment.
- **Water resistant formula** - Withstands perspiration or immersion in water; ideal for outdoor workers.
- **Non greasy after feel** - Quickly and easily absorbs into the skin to encourage regular use and not affect dexterity with hand held tools.
- **Cares for skin** - Contains vitamin E, jojoba oil, cocoa butter, panthenol, caprylic/capric triglyceride and glycerin which help to soothe and condition the skin.
- **Perfume-free** - No added perfume. Ideal for people who are sensitive to perfumes and prefer products which do not have perfume added.
