SKU: SPC10050

£255.95 ex VAT

Stock: Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

Deb Stokoderm® Sun Protect 50 is a perfume-free and water-resistant SPF50 sunscreen for professional use to protect the skin against harmful UVA, UVB and UVC rays.

Where to use: Outdoor workers exposed to UVA & UVB sun rays and workers exposed to UVC rays created during industrial processes, such as arc welding etc.

- **UVB 50 High protection** - Sun Protection Factor of 50 prolongs the skin's natural protection time against the sun's UVB rays by a factor of 50.
- **UVA protection** - Conforms to the European recommendation for providing protection against harmful UVA rays.
- **UVC protection** - Provides additional protection against UVC rays as created artificially during certain industrial processes, such as arc welding. Does not replace personal protective equipment.
- **Water resistant formula** - Tested to retain SPF50 protection after 80 minutes in water.
- **Non-greasy after feel** - Non greasy after feel to encourage regular use and help limit the effect on dexterity with hand held tools.
- **Contains Glycerin** - A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.
- **Perfume Free and Dye Free** - Designed for people who are sensitive to perfumes and dyes and who prefer products which do not have these added.
- **Silicone-free** - The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings.
- **Compatible with rubber production processes** - Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanisation process.
