The Defender 110v 4ft LED Light Up Stick E7126585 is ideal for professional and DIY use. It has an impact resistant polycarbonate lens with a high output, low energy LED tube. Moulded fixing points provide quick, secure fastening to scaffolding to extend versatility. The shatterproof tube safeguards users and ensures quick, clean replacement. 360° light spread is achieved when the reflector is removed. It is compatible with the Defender V3 Base Unit (E712654, sold separately). Includes 450mm of rubber cable.
