Delta Plus Iraya Safety Glasses offer a modern sports look with a wrap-around design, making them ultra-lightweight for maximum comfort. These safety glasses are perfect for extended wear, constructed from lightweight polycarbonate and featuring an extra soft nose bridge for added comfort. Providing UV400 protection, anti-mist, and anti-scratch properties, they can double as safety sunglasses, shielding against harmful rays and debris. The anti-scratch lens ensures durability and a clear view. These glasses are suitable for various professions such as tradesmen, engineers, joiners, production workers, as well as for use in laboratories, classrooms, and more.

- Offers UV400 protection.
- Anti-scratch treated lens.
- Anti-mist treated lens.
- Extra soft nose bridge piece for comfort.
- Non-slip PVC tips to arms.
- Comes complete with neck cord.
- Easily worn with safety helmet or ear protectors.
- CE/ UKCA Marked.
- Conforms to EN166:2001 and EN170:2002.
- Conform to ANSI-ISEA Z87.1:2015.
