**SKU:** TYVOAS

**£21.60** ex VAT

---

**Stock:** Out of stock Currently unavailable. This item will be delivered when stock arrives. 0

These antislip overshoes are made from Tyvek fabric which repels water-based liquids and aerosols but remains breathable and comfortable to wear.

Elasticated tops and fixing ties ensure a good fit, while the internal seams reduce the risk of contaminating sensitive processes or workplaces with stitching yarn.

- Protective overshoe covers
- Slip-retardant sole
- Tyvek 500 fabric repels water-based liquids and aerosols
- Breathable and comfortable to wear
- Low-linting
- Elasticated top with fixing tie
