

DUST BEATER COMPLETE 80CM

SKU: LL610

£19.13 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 5

Dust Beaters are made from Acrylic heads that use static electricity to hold the dust into the mop and avoid the dust circulating in the air like a normal brush. They are great for reducing the amount of dust created when sweeping the floor and are used in Commercial and Industrial properties.

The Dust Beater comes complete with a handle frame and head. Our frame is a spring-fixed frame and the heads have buttons to fix it closed making it easy for the heads to be attached to the frame or removed for laundering.

Items Included:

- Abbey Hygiene Handle 137cm
- 80cm (32 inch) Sweeper Mop Frame
- 80cm (32 inch) Blue Acrylic Sweeper Head
