Crafted from full-grain burn-resistant and ignition-proof leather, Ejendals Tegera 134 Welding Gloves are a must-have for welders and metalworkers. Featuring an extended cuff for wrist and forearm protection, and a treated palm for handling materials up to 100°C, these gloves shield users from sparks, molten splashes, and

heat during welding and grinding tasks.

EN388: 3X22C

Abrasion Resistance – Level 3

Cut Resistance – X

Tear Resistance– Level 2

Puncture Resistance – Level 2
