The Ejendals Tegera 295 Thermal Waterproof Work Gloves provide a snug and responsive fit, ideal for material

handling, operating machinery, and grasping tools. Designed for winter conditions, they offer warmth, waterproofing, and resistance to contact cold down to -30°C. Featuring reinforced fingertips and a leather palm, these gloves offer both grip and protection for safe usage in various medium-risk outdoor tasks.

- Waterproof and thermal gloves ideal for outdoor, wintry, and cold conditions
- Flexible, sensitive, and dexterous design for easy handling and gripping
- Durable and tough construction for protection and resilience in cold environments
