Our stackable boxes are made using high-quality recycled plastic. Suitable for use on Euro pallets, these boxes can enhance the efficiency of shipping and storing stock. If you work in a commercial or industrial setting, we can guarantee that these boxes will help improve the productivity of your processes.

- Heavy-duty stackable recycled Euro boxes
- Stackable and compatible with other standard-size Euro boxes and pallets

- Integrated closed or open carry handles for ease of movement
- Smooth, sealed surfaces prevent the goods from being contaminated by dust and dirt
- Can help improve the organisation and optimisation of pallets
