Evans Citrand is a heavy-duty hand gel with olive seeds. It quickly and easily removes medium to heavy oil, grease, grime and everyday soiling. The non-beaded formulation contains olive seeds which act like mini scrubbing brushes to remove difficult soil. Effective on soils yet caring to hands and contains glycerine for added skin protection.

Ideal for use in garages, engineering workshops, warehouses, builders yards and construction sites.

- Manufactured with sustainably sourced olive seed, a by-product of olive oil production.
- Refreshing, citrus fragrance makes it pleasant to use.
- Rinses off easily in warm or cold water.
- Solvent-free.
- Ideal for use in garages, engineering workshops, warehouses, builders yards, construction sites and all general industry.
- Suitable for use through the Evans Evolve dispenser or directly from the 5 L container using a pelican pump
- Low Environmental Impact - www.evansgreentick.com
