Stock: In Stock Order before 3pm for Next Day Delivery. 3

A quick acting and highly effective alcohol-based hand sanitiser proven to kill bacteria and viruses, including the (H1N1) swine flu virus. Rapidly evaporates from hands without leaving a residue or odour. Unperfumed, therefore suitable for use wherever food is handled, prepared or served. Ideal for use in between patient contact in non-surgical medical care establishments, and all places where you come into contact with large gatherings of people.
