

EVANS HANDSAN HAND SANITISER 500ML

SKU: EV0093

£4.60 ex VAT

Stock: Out of stock Currently unavailable. This item will be delivered when stock arrives. 0

A quick-acting and highly effective alcohol-based hand sanitiser proven to kill bacteria and viruses, including the (H1N1) swine flu virus. Rapidly evaporates from hands without leaving a residue or odour. Unperfumed, therefore suitable for use wherever food is handled, prepared or served. Ideal for use between patient contact in non-surgical medical care establishments, and all places where you come into contact with large gatherings of people.

[Sanitise Your Hands Poster](#)

- Kills a range of bacteria & viruses. Passes EN 1500
- Passes EN 1276 & EN 13727 under clean conditions with 30 second contact time
- Virucidal; passes EN 14476 with 1 minute contact time, effective against enveloped viruses
- Quickly evaporates without residue. Added moisturiser to protect skin
