Sika Everbuild Stixall Extreme Power is the ultimate combined building adhesive and sealant, based on hybrid polymer technology, with the most extreme power to both bond and seal virtually **everything** to **anything** in nearly all conditions, even under water or in the rain.

Sika Everbuild Stixall is a one part, chemically curing sealant and adhesive combining the best qualities of silicone and polyurethane technologies. It is specifically designed for adhering most common building surfaces to each other and themselves.

- Incredible initial grab, gap filling properties & no slip.
- High bonding strength.
- Interior and exterior (as adhesive) use.
