The **Honeywell H901EN FFP2 Respirator** is a fold-flat disposable mask designed to offer effective protection against airborne particles, dusts, and non-volatile mists. With a lightweight design and soft inner lining, it ensures comfort during extended wear while maintaining a secure seal.

- **FFP2 Protection:** Filters at least 94% of airborne particles for reliable respiratory defence.
- **Fold Flat Design:** Easy to store and carry, ideal for workers on the move.
- **Soft Inner Lining:** Provides comfort for prolonged use and reduces skin irritation.
- **Adjustable Nose Clip:** Enhances fit and reduces fogging when worn with eyewear.
- **Box of 50:** Bulk packaging for cost-effective protection across teams or regular use.
- **Conforms to EN 149:2001 + A1:2009:** Meets European standards for FFP2 respiratory protection.
