- Complete refill pack of content to restock any HSE 1 to 50 person first aid kit
- CE marked contents with long expiry dates make this an economical option
- All first aid kits should be checked and restocked regularly
- The HSE also recommends that appropriate back up supplies are stored on site

Each HSE 1 to 50 person refill packs contains all the items that are contained in any of our HSE 1 to 20 person first aid kits. Choosing to restock your first aid kit with a complete refill pack will ensure all the items in your first aid kit are replenished in the correct quantities with long expiry dates, saving you time and money.
