Igenix IG7105 Kettle Jug Cordless. This white IG7105 kettle is the ideal addition to compliment your kitchen. The kettle combines style with efficiency whilst exuding the quality of design expected of the Igenix brand. This IG7105 kettle is both durable and sleek with its practical handle for easy pour action, making it perfect for those with dexterity problems. The 1.7 L water capacity will give enough hot water for up to seven standard mugs at a time. Because of the smaller capacity and the 3 kw of power, this kettles rapid boil function enables faster boiling time for more convenience, as well as minimizing energy consumption.
