Stock: Available to Order (2-3 Days) Ordered in and delivered within 2-3 days.

The IK Inox Stainless Steel Pressure Sprayer is designed for heavy-duty applications, offering superior durability and reliability. Available in 6L and 10L capacities, it is perfect for use in industrial, cleaning, and professional gardening tasks.

- **Stainless Steel Construction:** Robust and corrosion-resistant for long-lasting performance.
- **6L and 10L Capacities:** Choose the size that suits your needs, from medium to large-scale tasks.
- **Adjustable Nozzle:** Provides precise control, from a fine mist to a powerful jet.
- **Pressure Release Valve:** Ensures safe operation and easy depressurization.
- **Ergonomic Design:** Comfortable handle and efficient pumping mechanism for user convenience.
- **Chemical Resistant:** Built to handle a wide range of chemicals, including detergents and disinfectants.
