SKU: JSED1M

£15.75 ex VAT

Stock: Out of stock Currently unavailable. This item will be delivered when stock arrives. 0

Designed by the JSP R&D team and developed with a leading UK acoustic engineering research facility.

Comfort

The force the helmet adaptor applies and the cushion surface area work together to provide optimum cushion pressure and comfort.

Customisation

Sonis® cups can be coloured to meet a corporate identity. They can also be printed with a company logo for improved brand recognition and to discourage theft.

Adjustable Steel Arms

The wearer can tilt and adjust the position of the cup for optimum comfort and fit, also offering an even distribution of pressure.

Hygienic

The sealing rings are easy to replace. Hygiene kits are available for each model.

Universal Compatibility

The universal slots of JSP helmets allow for easy fitting of the Sonis® ear defenders, along with the JSP Surefit™ visor system for maximum protection.

SNR 26

Green - Low Attenuation Small Cup 80-106 dB
