The **JSP SpringFit™ FFP3 Fold Flat Disposable Mask** offers premium respiratory protection in a compact and user-friendly design. With no exhalation valve, it's ideal for environments where both user and product protection are important. The unique **SpringFit™ technology** ensures a secure, comfortable fit with minimal adjustment, making it perfect for extended use across various industrial settings.

- **FFP3 Protection:** Offers the highest level of disposable mask protection against fine dust, mists, and airborne hazards.
- **Non-Valved Design:** Protects both the wearer and the surrounding environment — ideal for cleanrooms or contamination-sensitive areas.
- **SpringFit™ Technology:** Self-adjusting design for a close and comfortable seal on most face shapes.
- **Fold Flat Design:** Easy to store and carry, without compromising on protection.
- **Box of 10:** Convenient multipack for regular or team use.
- **Conforms to EN 149:2001 + A1:2009:** Meets European standards for respiratory protection.
