

KRATOS SUSPENSION COMFORT SAFETY HARNESS

SKU: FA1020600

£139.18 ex VAT

Stock: Available to Order (3-5 Days) Ordered in and delivered within 3-5 days.

The Kratos Suspension Comfort Safety Harness is the ultimate choice for those who wear harnesses for long durations of time or are frequently at height. The harness is super comfy and has been designed with long-term use in mind. The harness features a work positioning belt for added comfort and attachment points on the front and rear as well as at waist level for rope access.

Attachment Elements - 1 dorsal and 1 sternal D-Ring for fall arrest. 1 ventral D-Ring at waist level for rope access work and 2 lateral D-Rings for work positioning.

Adaptability - Adjustable shoulder, thigh-straps and waist belt.

Convenience - An ideal combination of fall arrest, work positioning, rescue and rope access applications. Shoulder belt straps are provided with combination buckles for easy adjustment and automatic buckles on thigh straps.

4 tool-holding webbing loops and 3 tool-holding rings for keeping extra karabiners and accessories.

Easy putting-on and removal thanks to a steel triple action-locking karabiner - Keylock type (FA 50 301 23B) placed right above the ventral attachment point.

Ergonomics - Soft padding on shoulder, waist and leg straps for extended comfort.

Compliance - Conforms to EN361:2002, EN358:2018 & EN813 2008.

It can be used by a user with a maximum weight of 140 kg.

Size: S-L

Weight: 2.35 kg
