£380.00 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 10

Mask It Self-Adhesive Paper is a **very low tack saturated paper** designed for **temporary surface protection**, making it ideal for film sets, decoration work, or sensitive interiors. At **1200mm x 22.8m**, it's wide enough for efficient coverage and safe to apply to wallpaper, painted walls, or finished surfaces without risk of damage.

- **Size: 1200mm x 22.8m** - Covers large areas quickly and easily
- **Very Low Tack Adhesive** - Won't damage existing paint or wallpaper
- **Saturated Paper Finish** - Can be painted over with standard paints
- **Ideal for Location Work & Temporary Backdrops** - Leaves no residue
- **Flexible & Easy to Apply** - Clean removal after use
