The Moldex 9000 Series Full Fask Mask provides protection for the full face, adhering to safety standards for eye and respiratory protection.

This lightweight respirator weighs only 360g and is constructed from a soft, TPE material which is gentle on the skin to provide all day-long comfort.

The frameless panoramic lens ensures an unrestricted field of vision.

Featuring Moldex's patented EasyLock technology, a range of compatible Moldex filters can easily be attached to the mask to offer good protection against hazardous gases, vapours and particles.

- Full face protection
- Lightweight
- Soft construction for comfortable wear
- Frameless panoramic lens
- EasyLock filter attachment technology
