

MOLDEX 9430 ABK1P3 R GAS & PARTICULATE FILTERS (3 PAIRS)

SKU: M9430

£57.95 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 9

These Easylock filters from Moldex are designed for use with the Moldex 7000 and 9000 series masks. They do not require any additional holders or clips with the particulate filters attachable to either the gas filter or directly onto the mask body. The pleated filter technology improves wearer comfort, reduces breathing resistance, and reduces fatigue.

- **Provides protection from organic gases and vapours [Bp>65°C], inorganic, acid gases, and ammonia as well as harmful and toxic dust, mists and fumes.**
- **This product conforms to EN 14387: 2004 + A1: 2008.**
