

NUMATIC HEPA-FLO DUST BAGS NVM1CH (10 PACK)

SKU: 604015

£10.50 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 4

These are **Genuine** Numatic Henry dust bags, designed for use with Henry, Hetty, NRV200 and many other Numatic vacuum cleaners. They are supplied in a pack of 10 each with a 9L capacity per bag. These bags are of a cloth type construction and are far better than paper copy bags available on the market.

HEPA is a type of filter that can trap a large amount of very small particles that other vacuum cleaners would simply recirculate back into the air of your home.
