Plasterboard Joint/Scrim Tape is a high-performance tape designed to reinforce joints and seams in drywall and plasterboard installations. With its self-adhesive backing and durable mesh construction, it prevents cracking and ensures a smooth, professional finish.

- **Self-Adhesive Backing:** Easy to apply directly to joints without additional adhesive.
- **Durable Mesh Construction:** Provides strong reinforcement to prevent cracks.
- **50mm Width:** Covers joints efficiently, ensuring a seamless finish.
- **Generous Length:** 90m roll provides ample material for large-scale projects.
- **Easy to Use:** Flexible and simple to cut, making it ideal for professional and DIY use.
