Our premium Height Endurance Helmet is available in a vented version, for extra airflow. Light, comfortable and compact, this peak-less helmet is designed to be used when working at heights. Clever features include an ABS shell, 6-point textile suspension harness, wheel ratchet adjustment, and size 52-63cm. Technical sweatband and 4-point chin strap (Y style) with a soft rubber chin protector included.

- Specially designed for working at height
- Vented helmet shell to allow air circulation cooling the wearer's head
- 6-point textile suspension harness for enhanced wearer comfort and safety
- Size adjustable headband via wheel ratchet system
- Y-style 4-point chin strap
- Light and robust
- Hi-Visibility colour for visibility in daylight

- Compatible with PW47 and PS47 clip-on ear muff
- Compatible with PS58 helmet visor holder
- Up to 7 years lifetime from manufacturing date (as long as undamaged)
- CE certified
- UKCA marked
