The Prochem Extraction Plus is a low foaming concentrate cleaner for use in carpet cleaning machines, an improved formula with PH boosters to get that added brightness to the carpet. The chemical rapidly penetrates soils for complete prevention of re-soiling.

Remaining clear and stable at high temperatures. Once cleaning is complete the solution dries to a powdered residue. The liquid is bright green and has a pleasant citrus fragrance.

- Low foam carpet cleaning concentrate for hot water carpet soil extraction machines.
- Clear and stable at high temperatures.
- Free rinsing, anti-resoiling formula.
- Fluorescent green liquid with a citrus fragrance.
