

PROCHEM LIQUID DEFOAMER 5L

SKU: PM0013

£26.20 ex VAT

Stock: In Stock Order before 3pm for Next Day Delivery. 1

A concentrated defoaming agent for the control of foam in hot water extraction machines. Liquid Defoamer is designed to prevent oversudsing caused by shampoo, soap and spotting agent residues and can be used in all types of extraction cleaning equipment.

- Do not apply Defoamer directly to the carpet. For excessive foam, increase the amount of Liquid Defoamer required.
- Professional anti-foam concentrate for carpet hot water extraction machines.
- Contains high concentrations of powerful silicone emulsion which counteracts foam from previous shampoo residues.
- White liquid with mild odour.
