A professional carpet pre-spray and spotter, specially formulated for use in high traffic and greasy lanes. Also highly effective as an alkaline general purpose cleaner for heavy and greasy soiling on most surfaces.

This turquoise liquid leaves a fresh citrus mint fragrance.

DIRECTIONS FOR USE: Dilute at a rate of between 1:4 and 1:8 depending on the level of soiling. Pre-test carpet with a solution before use - wool and fibres with unstable dyes should be extraction rinsed before use with Prochem Fibre and Fabric Rinse. Apply to spots and soiled areas using a sprayer, and brush with a pile brush. Blot spots before cleaning carpet with extraction or shampoo process. Use a towel or mop for application to other surfaces.
