A highly concentrated multi-surface, heavy duty industrial cleaner for use on floors, walls, carpets, hard surfaces, porous surfaces and many other professional and disaster restoration applications. Ultrapac Renovate contains a unique solvent-free formula designed to penetrate and lift carbon, soot, smoke, grease, rubber and deeply ingrained soils.

- Solvent-free heavy-duty restoration cleaner for soot, carbon, grease, smoke & ingrained soil on floors, walls, ceilings, plastics, carpets, metals, safety flooring and sealed wood.
- Removes dry soot, carbon, fire residues, filtration soils and draught marks on carpets, fabrics and other surfaces.
- Highly effective pre-spray on polypropylene carpets.
- Can be used in conjunction with B151 Oxibrite.
- Cationic solvent-free formula “pulls out” soils by neutralising the electrical charge.
- Deodorises on the application.
- Red liquid with floral fragrance.
