The **QED Premium Ear Defenders** provide exceptional hearing protection with an **SNR of 33**, making them ideal for high-noise environments such as construction sites and industrial zones. Featuring a unique cup design and color-coded attenuation for easy identification, these ear defenders are engineered for both performance and user comfort.

- **SNR 33 Rating:** Offers high-level noise reduction suitable for demanding environments.
- **Color-Coded Attenuation:** Simplifies selection of the appropriate protection level for various tasks.
- **Unique Cup Design:** Combines functionality with a distinctive aesthetic.
- **Padded Headband:** Ensures comfort during prolonged use.
- **Soft Foam Cushions:** Provide a snug, comfortable fit while maintaining an effective seal.
- **Adjustable Headband:** Accommodates different head sizes for a personalized fit.
- **Foldable Design:** Allows for compact storage and easy portability.
- **Lightweight Construction:** Weighing just 227g, minimizes fatigue during extended wear.
- **Certified to EN 352-1:** Meets European standards for hearing protection.
